

Education & Practice

Journal of the Royal College of Paediatrics and Child Health

Editor-in-Chief

Howard Bauchner

Section Editors

Best practice: Monica Lakhanpaul, Ian Maconochie

Problem solving in clinical practice: Patrick Cartlidge

Pharmacy update: Imti Choonara, Sharon Conroy

Guideline review: J Harry Baumer

Illuminations: Helen Williams

Dermatophile: Peter Lio

Education & Practice is a new regular edition of *Archives of Disease in Childhood* that aims to assist paediatricians at all levels in their training and ongoing professional development. Each issue will contain evidence based "best practice" reviews, a case based approach to clinical problem solving, pharmacy updates on existing and new drugs, and a review of recent guidelines. The aim is for *Education & Practice* to evolve over the coming years to meet the needs of paediatricians.
