

## DECLARATION OF INTERESTS STATEMENT

**Editor name:** Nick Brown (Editor-in-Chief)

**Journal:** Archives of Disease in Childhood

I have read and understood the [BMJ's policy on declaration of interests](#) and declare the following:

I have nothing to declare.

For the record, I teach (pediatrics and epidemiology) at Uppsala University. My clinical (pediatric) position is in Gälve, Sweden. I am expecting to be appointed (part time) faculty at the Aga Khan University, Karachi where I currently supervise 2 PhD students and will likely have more in the future. I speak at a number of national and international conferences (this year, for example) at the Swedish Paediatric Association (BLF) and Europaediatrics. Travel and accommodation are covered, but I receive no fees for any presentation. I have no links with any pharmaceutical or other other companies. I have no conflicts of interest between these and my editorial roles
